

Website Build Requirements

We are currently satisfied with the overall website layout as it stands, and are after 4 specific design and functionality changes. These are briefly discussed below and are explained visually further along this document.

1. General: Change footer to fit designed format.
2. General: Introduce a log-in function; log in credentials should be managed by us at this stage, with the option for the user to change their password. Access to the resources page should only be available to logged-in users.
3. Landing page: slightly reduce the distance between text and header.
4. Team page: Change existing to fit the proposed format with icons and links to social handles, for all profiles.

For snapshots of the existing versions of the website, please refer to the “Current Site Development” section on page x.

1) Proposed footer format;

The mockup shows a dark-themed footer layout. On the left, a vertical navigation menu lists: ABOUT, OUR VISION, TEAM, CAREERS, and CONTACT. The central section features a 'Featured Role:' card for 'Technical Analyst / Full Stack Developer' with a green 'Apply to project' button and social media icons for LinkedIn, YouTube, Twitter, and Facebook. To the right of this card is a large, stylized 3D cube icon. Further right is a 'SIGN UP TO OUR MAILING LIST' section with a text input for 'Email Address' and a 'SIGN UP' button. A short paragraph of text is positioned above the input field.

3) Distance between Header and Text

3) Team Page desired format (Name & Surname fonts: Avenir)

Current Site Development Stage

Figure 1: Landing page

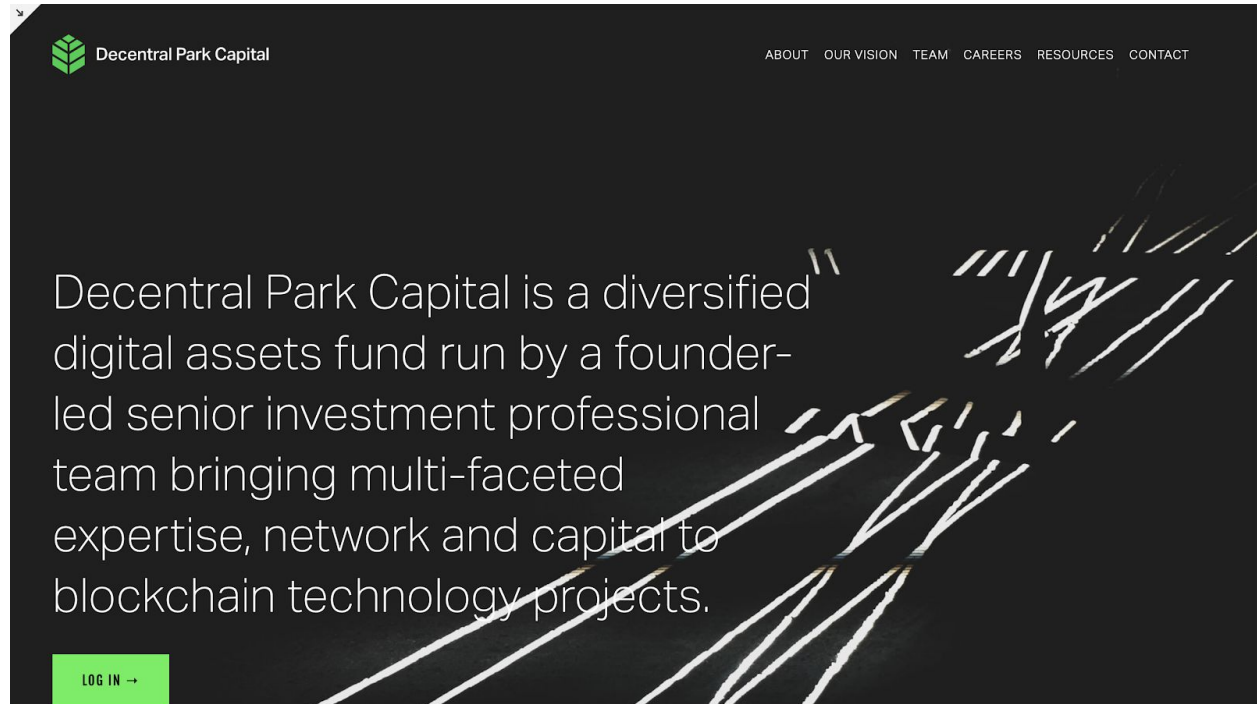

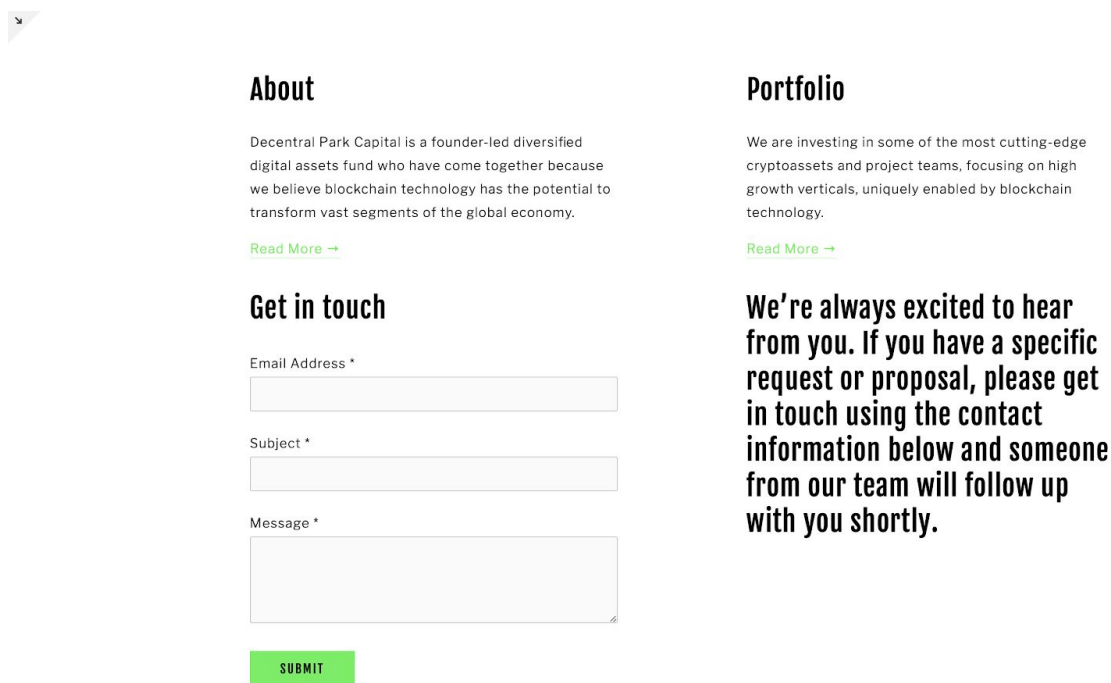

Figure 2: Landing page

The landing page features a clean, modern design with a white background. On the left, there is a 'Get in touch' section with a contact form. The form includes three input fields: 'Email Address *', 'Subject *', and 'Message *'. Below these fields is a green 'SUBMIT' button. To the right of the contact form is an 'About' section with a paragraph of text and a green 'Read More →' link. Further right is a 'Portfolio' section with a paragraph of text and a green 'Read More →' link. On the far right, there is a large, bold text block that reads: 'We're always excited to hear from you. If you have a specific request or proposal, please get in touch using the contact information below and someone from our team will follow up with you shortly.'

About

Decentral Park Capital is a founder-led diversified digital assets fund who have come together because we believe blockchain technology has the potential to transform vast segments of the global economy.

Figure 3: Landing page (footer)

The footer is a dark grey/black horizontal bar. On the left, there is a vertical list of links: 'ABOUT', 'OUR VISION', 'TEAM', 'CAREERS', and 'CONTACT'. In the center, there is a 'SIGN UP TO OUR MAILING LIST' section. This section includes a text input field labeled 'Email Address' and a white 'SIGN UP' button.
